

How-To Color Eggshells

by Amira El-Khaouli

Recipes:

1. To Use any Dye

Mix a dash of vinegar with a dash of dye, not to exceed a tablespoon
Add water
Drop in egg

2. To Paint Designs

Draw on the eggshell with wax or crayons
Then use brushes or sponges to apply the background color

3. With Dye Kits

Remember that you can mix colors to get new colors

4. To Make Confetti Eggs

Use an egg topper tool for accuracy to break a small amount of the tip of a raw egg
Empty egg and dye as you like
Fill empty egg with confetti

5. To Strengthen Eggs or Shells

Wash with bleach, soap, and water

6. For mosaics

Find mixed media (paper pieces, fabric pieces, confetti, sparkles, etc.)
Place shells on a background like a puzzle
Seal with glue

Have fun and create beauty!
